

25-0-3

Ultra N-Durance™

Liquid fertilizer

Product Features

- N-Durance 25-0-3 premium liquid fertilizer is ideal for maintaining fairways.
- This product contains 40% slow release nitrogen from N-Durance™ which contains a combination of Methylene Urea and Triazone.
- 47% of the total nitrogen is treated with SSN™ stabilized urea nitrogen. This technology contains a volatilization inhibitor that reduces atmospheric nitrogen loss.

Turf Benefits

- N-Durance™ liquid nitrogen fertilizer contains Methylene Urea and Triazone, slow-release nitrogen technology. Slow release nitrogen means increased nitrogen absorption by plants to provide uniform growth and consistent colour intensity for 8 to 12 weeks. N-Durance™ improves nitrogen foliar absorption and is a non-burning source of nitrogen for best application results.
- SSN™ improves nitrogen efficiency by reducing nitrogen loss due to volatilization. This technology contains a volatilization inhibitor that reduces atmospheric nitrogen loss which improves fertilizer efficiency and is more environmentally friendly. According to research, at least 30 percent of the nitrogen from urea can be lost to the atmosphere through volatilization within days of application.

Product Characteristics

Product Code:	L120798 (55 gal) L120791 (275 gal)
Product Type:	Liquid Turf Fertilizer
Volume:	55 & 275 gallons
Density:	10.52 lb/gallon
Volume (gallons/ton)	190.1
pH:	7.8
Appearance:	Blue
Salting-Out Temperature:	<32 °F

Guaranteed Analysis

		%
Total Nitrogen	(N)	25.0
10.0% Other Water Soluble Nitrogen*		
11.8% Urea Nitrogen**		
1.6% Ammoniacal Nitrogen		
1.6% Nitrate Nitrogen		
Soluble Potash	(K ₂ O)	3.0

Derived from: Urea, Triazone, Methylene urea, Urea ammonium nitrate solution, Muriate of potash.

*10.0% Slowly available nitrogen from methylene urea and triazone.
**11.8% Stabilized nitrogen from N-(n-butyl)-thiophosphoric triamide.

Ultra N-Durance™

Directions For Use

- Read the entire label before use.
- Apply only as directed during the growing season.
- We recommend to irrigate after application, especially during periods of high temperatures (80°F or above).
- Nutrite encourages responsible use of our products. Help do your part in protecting our rivers and lakes by following label indications and cleaning driveways and walkways after application. Do not apply to frozen ground.

Application Rates

Application	Application Rate		Fre-quency	Nutrients supplied (lb/1000 ft ²)		
	(oz/1000 ft ²)	(gal./acre)		N	P ₂ O ₅	K ₂ O
Sports Turf & Sod	7.0	2.4	(Every 2 weeks)	0.15	-	0.02
Lawn Care (Low)	12.0	4.1	(Every 4 weeks)	0.25	-	0.03
Lawn Care (High)	19.0	6.5	(Every 6 weeks)	0.40	-	0.05

Notice

- Information concerning the raw materials composing this product can be obtained by writing to the Guarantor listed below and referring to the item number found on this container.
- Information regarding the contents & levels of metals in this product is on the internet at <http://www.aapfco.org/metals.htm>

Precautions

- KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. Fertilizer may cause irritation of eyes, nose, throat and skin. In case of contact with eyes, flush with plenty of water; get medical attention.

Storage and Use

- Store in a clean, dry place, out of the sun in an area of moderate temperature.
- Do not reuse containers.
- Do not store at temperatures below 15°F., as crystallization may occur.
- Dispose of containers in accordance with local regulations and requirements.

Notice to Buyer

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY:

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.
